

Arizona Crisis Standards of Care (CSC) Plan
State Disaster Medical Advisory Committee – Staff Roster
COVID-19 Response

The State Disaster Medical Advisory Committee (SDMAC) is comprised of key individuals from across the State’s public health and health care systems. The group will convene during public health emergencies to develop guidance for the delivery of scarce medical resources (e.g., space, supplies, and staff). The following list may be expanded or modified as needed throughout the COVID-19 response.
